Dear Caitlin,

Thank you for the letter, you are very curious!

Of course my name is Tooth Fairy, but you  
already know that, right? I can't give you a picture  
of me but I did a little drawing for you. Do you  
like it?

I made a special trip to deliver this to you. I  
hope you lose another tooth so I can visit again.

Don't forget to brush,

The Tooth Fairy
